Paint the Town (La) Red

A Celebration of Survival

Paint the Town (La) Red is our anniversary celebration and our largest fundraising event of the year. Every spring, we gather to re-tell our story, celebrate our work, and remember that while surviving can sometimes feel impossible, there is so much joy to be had in community. It's always a blast, and this year we want you there with us!

WHO WE ARE

The Network/La Red is a survivor-led, social justice organization that has been working to end partner abuse in lesbian, gay, bisexual, transgender, kink, polyamorous, and queer communities since 1989. Rooted in anti-oppression principles, our work aims to create a world where all people are free from oppression.

WHAT WE DO

- ◇ Free 24-hour hotline
- ◇ One-on-one advocacy & supportive counseling
- ◇ Support groups
- ◇ Community & provider trainings on partner abuse in LGBTQ+ communities
- ◇ Capacity building & technical assistance for partner organizations
- ◇ Short-term & long-term housing

“When I first reached out on The Network/La Red’s hotline, I was frightened, scared, and very frustrated. I knew I needed something but didn’t know exactly what it was. I felt broken. Now, with the help of my advocate, hotline staff, volunteers, and staff at The Network, I manage crises instead of them managing me. You see, I just realized that The Network is a survivor-led organization, that the survivors have been where I have been, and that gave me hope to heal, to move forward, to give back when and where I can, and it made my future brighter.”
