Paint the Web (La) Red
A Celebration of Survival

Paint the Town (la) Red is our anniversary celebration and our largest fundraising event of the year. Every spring, we gather in community to re-tell our story and celebrate our work. This year we gather virtually with Paint the Web, and remember that while surviving can sometimes feel impossible (especially now), there is so much joy to be had in community. Supporters can still bring their friends and fill the zoom call, and organizations/companies that support our communities can still act as sponsors.
It's always a blast, and this year we want you there with us!

WHO WE ARE
The Network/La Red is a survivor-led, social justice organization that has been working to end partner abuse in lesbian, gay, bisexual, transgender, SM, polyamorous, and queer communities since 1989. Rooted in anti-oppression principles, our work aims to create a world where all people are free from oppression.

WHAT WE DO
◈ Free 24-hour hotline
◈ Short-term & long-term housing
◈ Support groups
◈ One-on-one advocacy & supportive counseling

“When I first reached out on The Network/La Red hotline, I was frightened, scared, and very frustrated. I knew I needed something but didn’t know exactly what it was. I felt broken. Now, with the help of my advocate, hotline staff, volunteers, and staff at The Network, I manage crises, instead of them managing me. You see, I just realized that The Network is a survivor-led organization, that the survivors have been where I have been, and that gave me hope to heal, to move forward, to give back when and where I can, and it made my future brighter.”
